A Reminder from the Bar Committee

The lounge is stocked with a variety of beverages, including a selection of locally-made beers and cider. If you'd like to request an addition to the bar, send an email to gibsonscurling@gmail.com

Our liquor license does **not** permit outside alcoholic beverages to be consumed at the club.

COVID Precautions

COVID has not gone away. Please **do not come to the rink if you are not feeling well**. You would hurt your team more if you infected them rather than helping them because you showed up.

Even if you test negative for COVID, stay home & rest if you are ill.

Volunteers Needed!

The Curling Club has rental scheduled throughout January and February. These rentals help the club operating and provide community exposure for the sport.

Sign-up sheets will be posted in the club lobby. We ask every club member to **sign-up for at least one shift**. Please do your part to keep the club going.

Do you have experience with grant writing or project planning? Join the Capital Project Planning working group on **Saturday January 27 @ 10 am** in the Lounge.
